Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 15th July 1929, for restoring Thovinakere Ganigere Tank' Register No. 226, Koratagere Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed before the end of May 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. to 5 P.M., on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed both in words and figures.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government promissory notes as earnest money, and be superscribed "Tender for Restoring Thovinakere Ganigere Tank, Register No. 226 of Koratagere Taluk", in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be cancelled, and earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements, quality of work etc., and in all disputes of any kind, the decision of the Chief Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of work and lump sum provisions are subject to modifications as per data worked out during execution. For individual items of work under lump sum provisions, the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

13. Part rates will be paid for earthwork to bund, and revetment, till the whole works completed, as a guarantee for the work being completed satisfactorily in time.
